

“Decree It...Receive It!”

Sun Jun 14, 2026

I. **Job 22:23-28**

A. The Power of Submission

1. Your Position is Your Promise...

- Where are you? You are seated in heavenly places at the right hand of God (**Ephesians 1:20, Ephesians 2:6**)
- What can you do? You can stand in God's power and command mountains to move!

2. **Job 22:23** “If you return to the Lord....” If (conditional) you are in the right position... (Back to the Father....Draw Near to God and He will Draw near to you...**Submission is the gateway to Power on this earth!**).

B. Decree It....

1. The power of submission and command.
2. When you are right with God (not a servant, but a son or daughter, you can decree a thing and it will be established / servants do not have this right).

II. What Are You Establishing For Your Life?

A. It Is Written...

1. It has been spoken (It has been decreed!)
2. Whether you agree with it or not....the words you speak today are establishing what you receive tomorrow!

B. The Three that Are Listening...

1. God and His angels – **Matthew 12:36-37** (**Idle – Inactive, unemployed, useless, barren, lazy**) / **Psalm 103:20**
2. Satan and his demons – Satan understands this power and he is looking (as a roaring lion) for an avenue...give him no place through your words!
3. You (Your heart) – from the mouth to the ear to the heart and out of the abundance of the heart (the place you believe), the mouth will speak!

C. Retraining Your Mind

1. To Think Like God thinks
2. The woman who said **“It is well”** (**II Kings 4:26**) knew something, she had something, a revelation of God's power to stay calm and to Speak what she believed, what she desired instead of what she saw! (Calling things...)
3. Jesus established the power of God's Word spoken in **Mark 11:22-23**
4. Imagine...If Science and Medicine both agree that speaking positive words creates tangible and measurable change in your mind and in your body, lowering stress hormones, altering gene expression, and improves health and cognitive function....what do you think happens when the Word of the Living God is spoken by a faith-filled believer? - Decree It...Receive It!
