

Foundation Scripture **Hebrews 11:6**

I. **Faith In His Name**

A. **Acts 3:11-16**

1. The name that is above all other names...**Philippians 2:9-10**
2. **Mark 16:17-18** – It is better translated “*These signs shall follow them that believe in my name...*” (Move the punctuation).
3. His name alone is not what makes the mountains to move....It is FAITH IN HIS NAME.
 - Notice what Peter and John said and what Peter and John did!
 - Faith is not something you try, it is something you DO! (*In Him I Live, I move, I have my being!*).

B. Seeing Faith the Way God Sees It...

1. **Faith is Confidence, Assurance, Conviction, and the Firm Belief (Knowing) that God is true to His Word and Will Always Come Through For You!**
2. How do you become confident in something? Repetition!
 - When you got in your car this morning, did you wonder if the car would crank? (You had faith that it would work as EXPECTED because it has worked so many times before).
 - When you arrived this morning, how many of you inspected the chair you are seated in to verify that it would not collapse underneath you? You sat with expectation because it has worked so many times before.
 - Faith in God should be the same principle – You repeat it, and it will grow stronger each day: meditate when? Increase faith how? SPEAK and DO!

II. The Action of the Believer

A. **Mark 2:1-12**

1. What did Jesus see? (The action of their faith).
2. What is Jesus looking for today? Luke 18:8

B. Faith without works...

1. **James 2:18-20**
2. If faith without works is dead, then faith with works is alive!

C. **Acts 20:7-12**

1. Faith is not moved by emotions or circumstances; remember, it operates like a seed. It doesn't whine or complain....it just works to get the results that are promised in the Bible...**FAITH BELIEVES!**
2. Paul wasn't moved by what he saw....He kept preaching the Word and the results revealed itself.
3. You may not see it now, but it's working; Healing is working...speak the Word and be joyful and expectant. Prosperity is working...Your Miracle Is Here NOW! **Mark 4:26-27**
