Sun July 19, 2026

Foundation Scripture **Hebrews 11:6**

I. **Faith Is...**

A. Recap from Last Week

1. **Now, Believing, Knowing, Speaking, Acting**
2. Faith....Trust...Confidence
 - Jesus said, “*Have Faith in God....*”
 - I have faith in God because I can put my total trust and confidence in His Written Word.

B. Faith is...Trusting God!

1. The Simple Truth (Setting it Straight): The Religious Mind says, “Blind Faith”; The Mind from simple logic says, “You can trust God because you KNOW God.” (How can it be blind faith if you know the end result? – herein lies the difference and the importance of how a person believes....your belief reveals where your faith is – “Lord if that is you, bid me to come”.)
2. **Proverbs 3:5-6** “*Trust in the Lord with your whole heart....*”
3. **Without Faith, it is impossible...With Faith, all things are possible**

II. The Increase of Faith

A. **Luke 17:5-9**

1. Faith as a seed (The basic understanding of how faith really works).
 - A seed only knows one thing: Produce
 - A seed is not moved by circumstances, emotions, or surroundings
2. Faith as a servant
 - Faith comes from the heart; this is the difference between believing God and hoping for a miracle.
 - When you send someone (faithful servant) to do something, you expect it to be done – this is the now kind of faith, believing, knowing, speaking, and acting.

B. Put God’s Faith (In You) to Work

1. Learn how to pray – **James 5:13-16** (**A Commanding Voice That Activates the Will of God**). – Casting out demons, raising the dead, halting the winds and waves....
2. Know Your Authority – **Matthew 16:19** (Revelation, Faith....Power).
3. Know the Power of Agreement – **Matthew 18:19**
 - Know who is praying for you
 - Know what is being prayed.
