

“The Power of Your Testimony”

Sunday June 28, 2026

I. **Revelation 12:7-11**

A. Good vs. Evil

1. God is Good.....

- **James 1:17** “Every perfect gift...”
- **Psalms 34:8** “O taste and see that the Lord is good...”

2. Satan is Bad...

- **John 10:10** “The thief comes to steal, kill, and destroy...”
- **1 Peter 5:8** “Satan walks about as a roaring lion...”

B. We live in a time of great confusion....

1. Satan wants to keep people in the dark concerning who God is....
2. Satan wants to keep people in the dark concerning who they are...
(He will do everything he can to keep you silent about God’s goodness)

II. Your testimony makes a difference

A. This is how you overcome...

1. **The Blood of Jesus** (the one thing that Satan overlooked....he killed an innocent man).
2. **The Word of Your Testimony**
3. **Living Selflessly for the Kingdom of God**

B. Why your testimony matters (one of the most powerful tools you have)

1. **It Inspires Faith**

- Hearing what God has done for you gives others the courage to believe that He can do it for them too.

2. **It Is a Spiritual Weapon**

- Your testimony points directly to the Gospel. Sharing it reminds the next generation of God’s track record and silences any doubt.

3. **It Prophesies the Future**

- Testimonies are contagious. When you talk about your victories in the past, you invite God to move in your present.
